

Meeting Minutes from Morning of 11/13/18

Ed Anderson was the greeter.

Tori Christie from SW Iowa Education Foundation was the speaker. She explained how their organization works and could help us with our scholarship (s) awarding. The committee continues to work on a School Scholarship for kids with diabetes.

Carol Thien with Care and Share was presented with a \$500 check for the organization (see picture below). This check can buy 2,000 pounds of meat or 50,000 pounds of crackers. That is amazing. (hopefully I have that correct in my chicken scratch minutes)

Annual Convention will be in Council Bluffs the weekend of April 26 and 27th 2019. Details are being worked out.

Any ideas or thoughts on this event are welcome and appreciated. Come to the Monthly Fundraiser tomorrow to hear and discuss continued plans.

**** NEWS FLASH – Kent Stopak had a good idea **** He moved to give the “Good of Club” funds to the Pal's Committee for use on these events. The motion passed.

Thanks for continuing to keep the club “in the know” on our financial condition and direction.
